

2020 River Raisin Water Festival Sponsor Form

Thank you for your interest in sponsoring the 2020 River Raisin Water Festival! This event is for 5th and 6th grade students in Lenawee County. The day-long field trip is designed to have students experience an environmentally sustainable campus and learn about water quality and conservation from professionals in the natural resources field.

Your contribution is vital for the River Raisin Water Festival to be free for students and teachers. Your sponsorship will go toward bus transportation for students, lunches for volunteers, tents for the outdoor learning areas, and materials for teacher goodie-bags.

The Planning Committee would like to show appreciation for all sponsors, and will recognize each company/organization through the following:

- Sponsor company's logo added to signs at the event
- Sponsors acknowledged in press releases to local newspapers
- Sponsor company's logo added to the River Raisin Watershed Council's website
- Sponsors recognized in any social media posts about the River Raisin Water Festival

Company Name: _____
